Knew you d be here tonight
So I put my best dress on
Boy I was so right

Our eyes connected
Now nothing s how it used to be
Don t second guess it

Track in on this feeling
Pull focus close up you and me
Nobody s leaving

Got me affected
Spun me 180 degrees
It s so electric

Slow down and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow
Come on and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow

Don t wanna rush it
Let the rhythm pull you in
It s here so touch it

You know what I m saying
And I haven t said a thing
Keep the record playing

Slow down and dance with me
Yeah, slow

Skip a beat and move with my body
Yeah, slow
Come on and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow

Read my body language
Take it down, down

Slow down and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow
Come on and dance with me
Yeah, slow
Skip a beat and move with my body
Yeah, slow

Skip a beat and move with my body
Skip a beat and move with my body
Skip a beat and move with my body
Slow
