

Turn It Into Love
Kylie Minogue

Not the same key as the recording but a great arrangement if doing an acoustic guitar version of this song...

Am F G
Do you believe I d let you down
C C/B Am
Your jealous heart gave you the runaround
Fmaj7
You couldn t see
E
That I would always be your friend

Am F G
If you can look inside your heart
C C/B Am
And understand what's tearing you apart
Fmaj7
You gotta trust someone
E
Don't let hate get in the way

CHORUS

F
Just turn it into love

G
Turn it into love

C **C/B**
And open up your heart and you'll

Am **G**
Never feel ashamed if you

F **G** **C** **E**
Turn it, turn it, turn it into love

VERSE 2

When all your other friends are gone
I ll still be here to help you carry on
If you have faith in me
Then I ll believe in you
You are the first thing on my mind
Do you believe I wouldn t have the time
I have to make you see
You can t push the pain on me

REPEAT CHORUS
