Bbm                          Fm                        F#

shore up
Bbm                          Fm                        F#

Bbm        Fm              F#
     My precious wife,   we made a promise,
Bbm         Fm              F#
        Pledged   our flesh to be one
Bbm        Fm               F#
   How  can    you    doubt a love that
Bbm        Fm              F#
stood so proud  as we   raised our children?

Bbm         Fm               F#
     I believe in      it still
Bbm         Fm              F#
     It has faltered   and it is failing
Bbm        Fm               F#
   But I know        it s there
Bbm         Fm               F#
     It s there        and how it changed

        The way you      thought of me
   C#m           G#m              F#
