

Its Over Now
L.A. Guns

Iâ€™ve seen online tabs with wildly inaccurate chords. A=440. Chords are pretty straight up, other than

Asus2 (x02200)

Intro: **E Asus2** 8x

E Asus2

Just another night

E Asus2

And I m all alone

E Asus2 **E**

And I wonder where you are

Asus2

Who you re holding

E Asus2

And I m wasting time

E Asus2

By the telephone

E Asus2

Itâ€™s harder when there s

E Asus2

no way of knowing

A **B**

I thought we d be together some day

A **B**

There was nothing that could keep me away

F#m **A**

Coulda worked it out somehow

E Asus2 2x

But it s over now

F#m **A**

Thought you d be comin round

E Asus2 2x

But it s over now

E Asus2

When I close my eyes

E Asus2

I can see your face

E Asus2 **E Asus2**

There was still so much to discover

E Asus2

All the time we shared

E Asus2

Can t be erased

E Asus2

E

Asus2

Now you re in the arms of another

A

B

I always thought we d make it some day

A

B

There was nothing that could keep me away

F#m

A

Coulda worked it out somehow

E Asus2 2x

But it s over now

F#m

A

Thought you d be comin round

E Asus2 2x

But it s over now

C#m

If you broke my heart

G#m

I can t let it show

A

I can take the pain

B

I can t let you go

C#m

Some people change

G#m

I guess it had to be

A

Even though you re gone now

B

You still mean so much to me

E Asus2 4x

E Asus2

Just another day

E Asus2

I m still holdin on

E Asus2

No matter how I try

E Asus2

I can t shake this feeling

E Asus2

Yeah I m sitting here

E Asus2

Like nothing s wrong

E Asus2

E

Asus2

I m still lookin for someone to believe in

A

B

I thought we d be together someday
