

## Another Day of Sun

[Intro] **F** **G** **Am** **Em**  
**F** **G** **C** **Em**

**Dm**  
I think about that day  
**G**  
I left him at a Greyhound station  
**C**  
West of Sante Fe

**A** **Dm**  
We were seventeen, but he was sweet and it was true  
**G** **C**  
still I did what I had to do  
**Am**  
Cause I just knew

**Dm**  
Summer Sunday nights  
**G**  
We d sink into our seats  
**C**  
Right as they dimmed out all the lights  
**A** **Dm**  
A Technicolor world made out of music and machine  
**G** **C**  
It called me to be on that screen  
**Am**  
And live inside each scene

**F**  
Without a nickel to my name  
**G**  
Hopped a bus, here I came  
**Am**  
Could be brave or just insane

**Em**  
We ll have to see

**F**  
Cause maybe in that sleepy town  
**G**  
He ll sit one day, the lights are down  
**C**  
He ll see my face and think of how he  
**E**

Used to know me

**F**

Climb these hills

**G**

**Am**

I'm reaching for the heights

**Dm**

**G**

**C**

And chasing all the lights that shine (the lights that shine)

**Am**

**G**

And when they let you down (it's another day of...)

**Am**

**G**

You'll get up off the ground (it's another day of...)

**Am**

**G**

Cause morning rolls around

**C**

**E**

And it's another day of sun

**Dm**

I hear 'em every day

**G**

The rhythms in the canyons

**C**

That'll never fade away

**A**

The ballads in the ballrooms

**Dm**

Left by those who came before

**G**

**C**

They say you gotta want it more

**Am**

So I bang on every door

**F**

And even when the answer's no

**G**

Or when my money's running low

**Am**

The disc and mic and neon glow

**Em**

Are all I need

**F**

And some day as I sing a song

**G**

A small-town kid'll come along

**C**

**E**

That'll be the thing to push him on and go go

**F**

Climb these hills

**G**

**Am**

I'm reaching for the heights

**Dm** **G** **C**  
And chasing all the lights that shine (the lights that shine)  
**Am** **G**  
And when they let you down (it s another day of...)  
**Am** **G**  
You ll get up off the ground (it s another day of...)  
**Am** **G** **C** **E**  
Cause morning rolls around, and it s another day of sun

**Am** **G**  
And when they let you down  
**Am** **G**  
The morning rolls around

**F** **G**  
It s another day of sun  
**Am** **G**  
It s another day of sun (oh)  
**F** **G**  
It s another day of sun (sun sun sun sun)  
**Am** **G**  
It s another day of sun (oh)  
**F** **G**  
Just another day of sun (oh)  
**Am** **G**  
It s another day of sun (sun)  
**F** **G**  
Another day has just begun (oh)  
**F** **G**  
It s another day of sun  
**C**  
It s another day of sun
