

Another Day of Sun

[Intro] **F G Am Em**
F G C Em

Dm

I think about that day

G

I left him at a Greyhound station

C

West of Sante Fe

A

Dm

We were seventeen, but he was sweet and it was true

G

C

still I did what I had to do

Am

Cause I just knew

Dm

Summer Sunday nights

G

We'd sink into our seats

C

Right as they dimmed out all the lights

A

Dm

A Technicolor world made out of music and machine

G

C

It called me to be on that screen

Am

And live inside each scene

F

Without a nickel to my name

G

Hopped a bus, here I came

Am

Could be brave or just insane

Em

We'll have to see

F

Cause maybe in that sleepy town

G

He'll sit one day, the lights are down

C

He'll see my face and think of how he

E

Used to know me

F

Climb these hills

G

Am

I m reaching for the heights

Dm

G

C

And chasing all the lights that shine (the lights that shine)

Am

G

And when they let you down (it s another day of...)

Am

G

You ll get up off the ground (it s another day of...)

Am

G

Cause morning rolls around

C

E

And it s another day of sun

Dm

I hear em ev ry day

G

The rhythms in the canyons

C

That ll never fade away

A

The ballads in the ballrooms

Dm

Left by those who came before

G

C

They say you gotta want it more

Am

So I bang on ev ry door

F

And even when the answer s no

G

Or when my money s running low

Am

The disc and mic and neon glow

Em

Are all I need

F

And some day as I sing a song

G

A small-town kid ll come along

C

E

That ll be the thing to push him on and go go

F

Climb these hills

G

Am

I m reaching for the heights
