I'm Gonna Try Big City
To Get Over You
I'm Gonna Drive You Crazy
'Til I'm Out Of Fuel
I'm Gonna Treat You Baby
The Way A Big Man Should.

The Way You Looked When I Said I Loved You
The Way You Laughed When I Said I Cried
The Way You Twist My Situation Babe
You Turn It Upside Down

I'm Goona Treat You Baby
The Way A Big Man Should.
I Drive And Push
I Drive.
