**Am** **C**  
Love, love is like a stubborn youth,  
**G** **F**  
That you d rather just deny,  
**Am** **C**  
I m walking on a broken roof,  
**G** **F**  
While I m looking at the sky.

Pre-Chorus:

**Am** **C**  
Its all false love and affection,  
**G** **F**  
You dont like me you just want the attention,  
**Am** **C**

**G** **F**  
You dont want me You just like the attention...

**Am C** **G** **F**  
I m not your toy, this isn t just another girl meets boy x2
