

**Last Time**  
**Labrinth**

These are the chords Labrinth plays from what I can hear and see him play in Last time.

The song is fairly simple, but any corrections and feedback are more than welcome!

The em7 has the 3rd fret of the high E string as does the G, please remember this else it won't sound right!

**Bm**            **A D Em7**  
One moment to another  
**G**            **A6 A Bm**  
A world to be discovered  
**Bm**            **A D Em7**  
And now it's my turn to fly  
**Em7**            **G Em7 A**  
Let this be the last time I say goodbye

Then the rest of the song goes the same, when he sings Say goodbye with the A hammer on to the 4th fret with the B string.
