

**The Party Is Over**  
**Lacrimosa**

**A** **A7**  
I lost you in the morning  
**F#** **Bm**  
When the snow felt in our world  
**G** **Cm**  
I lost you in the cold  
**G#** **C#m**  
Between these shades of our illusions  
**A** **A7**  
I found an empire of love and pain  
**F#** **Bm**  
Within this kiss - this kiss goodbye  
**G**  
For I will never  
**Cm**  
Forget your face  
**G#**  
Behind the window  
**C#m**  
Of this parting train.

**Cm** **G#**  
**C#** **A#**  
**D#m** **A#**  
**A#7** **D#m**

**Cm**  
I asked the moon  
**G#**  
To bring you back into my arms  
**C#** **A#**  
I called the win to guide your way  
**D#m** **A#**  
I begged the earth to hold you tight  
Keep you from harm  
**A#7** **D#m**  
I send you kisses in my dreams  
**Cm**  
For I know  
**G#**  
We had our time  
**G#m**  
I close the door  
**G#** **Cm**  
The party is o.....ver
