**Lacuna Coil**

Title - Heaven s A Lie - Acoustic version

Artist - Lacuna Coil

Tabbed by: Diego (diego\_75@virgilio.it)

N.B.I wrote this while watching the video but some chords name could be incorrect

(I m not a pro :P). This is only the base guitar (you can sing over this). Also notice that in some verse the chords are played with arpeggio (or something like that), anyway the sound is good with normal chords. For any correction please send me a mail :)
