

**Within Me**  
**Lacuna Coil**

=====  
| Hey guys, got this by ear. It s more of an acoustic version. |  
| I think it s really close to the original song, sorry if there are |  
| any mistakes though. |  
| Enjoy this beautiful song! |

Okay, at first these chords look really scary, I mean, Bm4A... but it s actually a pretty simple pattern. When at Am, just take your pointer finger off of the B string for A9 and then place your pinky at the 3rd fret for A4. Take you pinky off for A9 again, then simply do Am again and slide to the 3rd fret for Bm4A.  
If that s still a bit confusing, just listen to the song, it should help!

- Am x02210
- A9 x02200
- A4 x02230
- Bm4A x04430
- F 133211
- G 320033
