

Cheating On U
Lacy Cavalier

[Intro]

Bm A D G **Bm A D G**
(Cheating on you)

[Verse]

Bm **A**
You told me people could only fall in love once
D **G**
Then you told me you loved me after two months
Bm **A** **D** **G**
So I just assumed I was the one

Bm **A**
Jealousy was never something I believed in
D **G**
Til you let random girls in the bed I sleep in
Bm **A** **D** **G**
And I still wonder why I didn t leave then

[Pre-Chorus]

Bm **A** **D** **G**
It ll be 3 years in 3 days since I met you at the Opry backstage
Bm **A** **D** **G**
Leaning against that doorway, sometimes I wish I would ve shown up late

[Chorus]

Bm **A**
I wish I didn t feel like you re the one
D **G**
Still it don t really feel like this is done
Bm **A** **D** **G**
When I m out here on dates tryna find new love, find new love
Bm **A**
Yeah it s been a month or two
D **G**
Since we said that we were through
Bm **A** **D** **G**
So why does it feel like I m cheating on you
G **Bm A D G**

Ain t moved on, in case things change at all

D G
I still talk to your cousin and sister-in-law
Bm A D G

Bm A
On the days that I really wanna forgive you
D G
I think about all the other girls touching you
Bm A D G
And honestly it s left me with some body issues

[Pre-Chorus]

Bm A D G
Now I m blank staring at some new face, can t help but compare everything
Bm A D G
I m sure you re at some chick s place doing what you do with no shame

I wish I didn t feel like you re the one
D G
Still it don t really feel like this is done
Bm A D G
