

Home Is Where The Heart Is
Lady A

(capo 1ª casa)

(intro) **D G Em7 Asus4**

D **G**
I felt I was spinning my wheels
Em7 **Asus4**
Before too long the road was calling
D **G**
I packed everything I own
Em7 **Asus4** **D** **G**
So sure that I was leaving this small town life behind for good
Em7 **Asus4**
And not a single tear was falling
Bm **G**
It took leaving for me to understand
Bm **Asus4** **A**
Sometimes your dreams just aren't what life has planned

(refrão)

D **G** **Em7**
Mama said home is where the heart is
Asus4 **D**
When I left that town
G **Em7**
I made it all the way to West Virginia
Asus4
And that's where my heart found
Bm **A** **G**
Exactly where I'm supposed to be
D/F# **Em7**
It didn't take much time
A **NC** **D** **G**
It's just south of the Mason Dixon line
Em7 **Asus4** **D**
It's just south of the Mason Dixon line

(**D G Em7 Asus4**)

D **G**
I worked third shift at an all night diner
Em7 **Asus4**
Only stayed to save a little money for
D **G**
Enough gas to make it to the east coast
Em7 **Asus4**
That's when I saw the brightest pair of

D **G** **Em7 Asus4**
 Deep blue eyes walking straight into my li--fe
Bm **G**
 And every night we talked till it became so clear
Bm **Asus4** **A**
 And I could feel those dreams inside shifting gears
Asus4 **A**
 Cause love brought me here

D **G** **Em7**
 Mama said home is where the heart is
Asus4 **D**
 When I left that town
G **Em7**
 I made it all the way to West Virginia

Bm **G**
 And I m standing in my veil about to say I do
Em7 **A** **D** **Dsus2 D**
 As mama smiles with tear drops in her eyes
Bm **G**
 And then I realize there s something mama always knew
C **G** **A**
 Love is what I really left to find

D **G** **Em7**
 She said home is where the heart is

 When I left that town
G **Em7**
 I made it all the way to West Virginia
Asus4
 And that s where my heart found
