All Wed Ever Need
Lady Antebellum

[Intro]
Em G D
Em G A C

[Verse 1]
Em
  Boy it s been all this time
G
  And I can t get you off my mind
D   **C**   **G**
  And nobody knows it but me
Em
  I stare at your photograph
G
  Still sleep in the shirt you left
D   **C**   **G**
  And nobody knows it but me
     Em   **G**   **C**   **D**
Everyday I wipe my tears away
        Em   **G**   **A**   **C**
And every night I pray for you to say

[Chorus]
G
  I should ve been chasing you
Em
  I should ve been trying to prove
   G   **C**   **Em** **D**
That you were all that mattered to me
G
  I should ve said all the things
Em
  That I kept inside of me
   G   **C**   **Em** **D**
And maybe I could ve made you believe
     Am   **G**   Cadd
That what we had was all we d ever need
Em G C

[Verse 2]
Em
  My friends think I m moving on
G
  But the truth is I m not that strong
D   **C**   **G**
  And nobody knows it but me
Em

```
          I kept all the words you said
G
   In a box underneath my bed
D                 C                     G
   And nobody knows it but me
                     Em    G        C              D
But if you re happy I ll get through somehow
             Em               G          A         C
But the truth is that I ve been screaming out

[Chorus]
G
   I should ve been chasing you
Em
   I should ve been trying to prove
     G                     C                Em   D
That you were all that mattered to me
G
   I should ve said all the things
Em
   That I kept inside of me
      G                     C                Em   D
And maybe I could ve made you believe
        Am         G      Cadd                G    Em
That what we had was all we d ever need
D        G          Cadd  Em
 It was all we d ever need
D                            G          Cadd   Em
 Woah, I thought it was all we d ever need
D  G  Am  G  Cadd

[Chorus]
G
   I should ve been chasing you
Em
   You should ve been trying to prove
     G                     C                Em   D
That you were all that mattered to me
G
   You should ve said all the things
Em
   That I kept inside of me
      G                     C                Em   D
And maybe you could ve made me believe
        Am         G        C
That what we had girl
     Am              G          Cadd
That what we had (what we had)
                     G     Em   C
Was all we d ever need
                         G     Em   G
It was all we d ever need
```
