Intro

4x

C G D

Verse

C G D C G D
I threw away a lifetime, you laughed and called it a sin
C G D C G D
There ain t never gonna be a way to work it out, not after a night like this
C G D C G D
I ve been waiting on your call now just the silence and me
C G D C G D
I know you want me to chase you around but I m so tired of asking you please

Chorus

G C D
I m through with this, I ll forget your kiss and move on
G C D
There ll be no sleepless nights, I ll be alright from now on
C G D,
I m better off now that you re gone
C G D,
I m better off now that you re gone

Verse

C G D C G D
You put me so far down girl, I couldn t even stand on my own
C G D C G D
Ghosts of you would come back to me whenever I was alone
C G D C G D
Now the candles have all burned out and the doors are locked and chained
C G D C G D
I Have no doubts this time I ve figured out a way to end all your games

Chorus

G **C** **D**
I m through with this, I ll forget your kiss and move on
G **C** **D**
There ll be no sleepless nights, I ll be alright from now on
C G D,
I m better off now that you re gone
C G D,
I m better off now that you re gone

Bridge

Am **D** **Am** **D**
Nights filled with empty bottles and picking up broken glass
Am **D** **C** **G** **D**
I should have known from the very first night, that this just never would last
