

D G
And the way you moved me was like you were in my mind
Em Bm G A
I can still feel you lean into kiss me
Em Bm G A
I can't help but wonder if you ever miss me

D G
I haven't seen you in ages

D
Sometimes I find myself
G A
Wondering where you are

D G
For me you'll always be 18
Bm A D G
And beautiful and dancing away with my heart

Bm
You headed out to college

D G
At the end of that summer when we lost touch
Bm D G
I guess I didn't realize even at that moment we lost so much

D G
I haven't seen you in ages

D
Sometimes I find myself
G A
Wondering where you are

D G
For me you'll always be 18
Bm A D
And beautiful and dancing away with my heart

G
Nah nah nah nah

D
Nah nah nah nah

G
Nah nah nah nah

D
Away with my heart

G
Nah nah nah nah

D
Nah nah nah nah

G D

Nah nah nah nah
