

Dancing Away With My Heart
Lady Antebellum

Capo on first fret :)

A strumming pattern you could use is ddd dududddu
Or you could just do down strums if you are a beginner
Hope you like this version!

[Verse 1]

E

I finally asked you to dance
Asus (or **A**)

On the last slow song

E

Asus

Beneath that moon that was really a disco ball

F#M **C#m** **Asus** **B**

I can still feel my head on your shoulder

F#M **C#m** **Asus** **B**

And hoping that song would never be over

[Chorus]

E

Asus

I haven't seen you in ages

E

Sometimes I find myself

Asus **B**

Wondering where you are

E

Asus

For me, you'll always be 18

C#m **Asus** **B**

And beautiful and dancing away with my heart

[Verse 2]

E

I brushed your curls back so I could see your eyes

Asus

And the way you moved me was like you were reading my mind

F#M **C#m** **Asus** **B**

I can still feel you lean in to kiss me

F#M **C#m** **Asus** **B**

I can't help but wonder if you ever miss me

[Chorus]

E

Asus

I haven't seen you in ages

E

Sometimes I find myself

Asus **B**
Wondering where you are
E **Asus**
For me, you ll always be 18
C#m **Asus** **B**
And beautiful and dancin away with my heart

[Verse 3]

C#m
You headed off to college
B **Asus**
At the end of that summer and we lost touch
C#m **B** **Asus**
I guess I didn t realize even at that moment we lost so much

[Chorus]

E **Asus**
I haven t seen you in ages
E
Sometimes I find myself
Asus **B**
Wondering where you are
E **Asus**
For me, you ll always be 18
C#m **Asus** **B**
And beautiful and dancin away with my heart

[Outro]

E
Nah, nah, nah
Asus
Nah, nah, nah
E
Nah, nah, nah
Asus
Away with my Heart
E
Nah, nah, nah
Asus
Nah, nah, nah
E
Nah, nah, nah

End on Asus
