

Emily
Lady Antebellum

Intro (F, Bb, Am, Gm, F, C)

Oh Emily,
I m still out here chasing all my dreams
Oh Emily,
What I d give to have you here with me
To look into those green eyes
And wake up with the sunrise, in your arms

But always know, that wherever I go
There s a piece of your heart
That I keep in my soul, and never doubt
I m the same man that loved you back home
And knowing that you re waiting, believing and praying
Is what keeps me going on

(Bb, Am, Gm, F, C)

Oh Emily,
Tell your folks I hope they re doing fine
Oh Emily,
I just called to hear your voice tonight,
Girl I miss you so much,
And before we hang up, remember this

But always know, that wherever I go
