Intro; **Am** , **G** , **F** , **C** x2

Verse 1;

**Am** **G** **F** **C**  
The night is hot,  
**Am** **G** **F** **C**  
Got a full moon rising  
**Am** **G** **F** **C**  
And you know this is the time I get a little bit lonely  
**Am** **G** **F** **C**  
And I can't fight it, I can't hide it.  
**Am** **G** **F** **C**  
Don't know where you are,  
**Am** **G** **F** **C**  
But I want you just like lightning  
**Am** **G**  
Shooting straight out of the sky,  
**F** **C** **Am** **G**  
Come and strike me with your light igniting  
**F** **C**  
Yeah, igniting.

Chorus;

**F** **Am**  
Gotta get to me, gotta get to me  
**G**  
You gotta spread your wings and start flying.  
**F** **Am**  
Like a drop of rain, gotta find the way  
**G**  
Don't hit the brakes, just come and crash through my horizon.  
**F**  
Bring back the air, I need to breathe, baby  
**F**  
You gotta get to me.

Instrumental;

Am, G, F, C x2

Verse 2;

Am G F C  
The bottle is empty

Am. G F C  
And I m dancing in the shadow of a memory.

Am G F C  
Yeah, call me crazy

Am G F C  
But I still got this schoolgirl s dream.

Am G F C  
You re gonna show up and kiss me,

Am G F C
