

Hello Word  
Lady Antebellum

[Intro] D A4 A

Bm G D  
Traffic crawls, cell phone calls, talk radio screams at me  
A Bm G  
Through my tinted window I see, little girl, rust red mini van  
D A G  
She s got, chocolate on her face, got little hands and she waves at me  
Yeah she smiles at me

D Bm G Em G  
Well hello world, How you been, Good to see you my old friend  
D Bm G Em G  
Sometimes I feel, as cold as steel, broken like I m never gonna heal  
Em G Em D  
And I see a light, a little hope in a little girl, well hello world

Bm G  
Every day, I drive by a little white church  
D A  
It s got those, little white crosses, like angels in the yard

Bm G  
Maybe I should, stop on in, say a prayer  
D Bm  
Maybe talk to God like, he is there  
G  
Oh, I know He s there, Yeah, I know He s there

D Bm G Em G  
Well hello world, How you been, Good to see you my old friend  
D Bm G Em G  
Sometimes I feel, as cold as steel, broken like I m never gonna heal  
Em G Em  
And I see a light, a little grace a little faith unfurls  
D  
Well hello world

C  
Sometimes, I forget what living s for  
G Em  
And I hear my life through my front door, and I breathe it in

Oh, I m home again, and I see my wife, my little boy and a little girl
