

Long Gone

Lady Antebellum

(capo 2ª casa)

(verso 1)

Em C D Em
It s so like you just to show up at my door
C D Em
And act like nothin s happened
C D C
You think I ll sweep my heart up off the floor and give it to you
Em
Like so many times before
C Am
You re talking to stranger
D
I m not that girl anymore

(refrão)

G C
That girl is long gone
D
Boy you missed the boat it just sailed away
G C
Long gone
D
She s not drowning in her yesterdays
Em C D
Betcha never thought I d be that strong
Em C D
Well this girl is long gone

(verso 2)

Don t waste your breath with baby baby please
Cause I am so not listening
Don t bother getting down upon your knees and try to beg me
I m tired of how you twist the truth
You re not talking to the same girl
Who used to forgive you

(refrão)

C
Gone like the wind under Superman s cape
G
Like a thief in the night I made the great escape
Am D
I m not the kind of girl that keeps making the same mistakes

That girl is long gone
Boy you missed the boat it just sailed away
Long gone
I m not drowning in my yesterdays
Betcha never thought I d be that strong, betcha didn t
Yeah well baby I proved you wrong

This girl is long gone, long gone
This girl is long gone, long gone
This girl is long gone

G

This girl is gone.
