

One Day You Will
Lady Antebellum

(capo 1ª casa)

(intro 4x) D Em7 G

D Em7
You feel like you re falling backwards
G D Em7 G
Like you re slippin through the cracks
D
Like no one would even notice
Em7 G D Em7 G
If you left this town and never came back
A
You walk outside and all you see is rain
(A) Bm
You look inside and all you feel is pain
C
And you can t see it now

D
But down the road the sun is shining
G
In every cloud there s a silver lining
Bm A G A
Just keep holding on (just keep holding on)
D
And every heartache makes you stronger
G
But it won t be much longer
Bm A
You ll find love, you ll find peace
G
And the you you re meant to be
(G) A
I know right now that s not the way you feel
D Em7 G
But one day you will

D Em7
You wake up every morning and ask yourself
G D Em7 G
What am I doing here anyway
D Em7
With the weight of all those disappointments
G D
Whispering in your ear
A

You re just barely hanging by a thread

(A)

Bm

You wanna scream but your down to your last breath

C

And you don t know it yet

D

But down the road the sun is shining

G

In every cloud there s a silver lining

Bm A G A

Just keep holding on (just keep holding on)

D

And every heartache makes you stronger

G

But it won t be much longer

Bm

A

You ll find love, you ll find peace

G

And the you you re meant to be

(G)

A

I know right now that s not the way you feel

Em D

But one day you will

G

A

Find the strength to rise above

Em D

You will

Bb

Find just what you re made of, you re made of

E

Down the road the sun is shining

A

In every cloud there s a silver lining

C#m B A B

Just keep holding on (just keep holding on)

E

And every heartache makes you stronger

A

But it won t be much longer

C#m

B

You ll find love, you ll find peace

A

And the you you re meant to be

(A)

(A)

I know right now that s not the way you feel

(A)

B

I know right now that s not the way you feel

E

F#m A

But one day you will

E

A

One day you will (Oh one day you will)
