Went walking through town just the other day with nothing much to do
E **B** **A** **E**
As the sun came breakin down through the clouds, I never seen the sky so blue
E **B** **A** **E**
I saw a cajun man with a red guitar singing on the side of the street
E **B** **A** **E**
I threw a handful of change in his beat up case and said play me a country beat
and it sounded like

(verse 2)

E **B** **A** **E**
Met up with some friends outside of town, we were headed towards the lake
E **B** **A** **E**
I hopped into the back of a jacked up jeep and felt the wind upon my face
E **B** **A** **E**
We got to the spot and the sun was hot, everybody was feelin fine
E **B** **A** **E**
So we jumped on in for a midday swim and then we lost all track of time

(refrão)

E **B** **A**
It was the perfect day, what I d give if I could find a way to
E **B** **A**
Stay, lost in this moment
E **B** **A**
Now, ain t worried about tomorrow
A **B** **E** (**E B A**)
When you re busy livin in a perfect day

(verse 3)

E **B** **A** **E**
As the moon came out and the fire burned, everybody was singing along
E **B** **A** **E**
To some Ramblin Man a little Curtis Loew and all them feel good songs
E **B** **A** **E**
We danced all night without a care, no place we d rather be
E **B** **A** **E**
Cause these are the days we ll talk about, when we lived so wild and free

(refrão)

(coda)

A **E**
We were sittin in the sand as he grabbed my hand and then leaned in for a kiss
A **E**

I couldn't help but think with the stars above it don't get much better than this

(outro)

E **B** **A**
It was the perfect day, what I'd give if I could find a way to

E **B** **A**
Stay, lost in this moment

E **B** **A**
Now, ain't worried about tomorrow

A **B** **A** **B** **E**
When you're busy livin', feels like dreamin', slowly drifting, through this perfect day.
