

Ready To Love Again  
Lady Antebellum

(capo 3ª casa)

**C** **Am** **G** **C** **Am**  
Seems like I was walking in the wrong direction, I barely recognized my own  
**G** **F** **F** **G** **C**  
reflection. No, scared of love but scared of life alone.  
**C** **Am** **G** **C**  
Seems I've been playing on the safe side lately, building walls around my  
**Am** **G** **F** **F** **F** **C**  
heart to save me. Oh, but it's time for me to let it go

(refrão)

**F** **C** **G** **F**  
Yeah I'm ready to feel now, no longer am I afraid of the fall down. It must  
**F** **C** **G**  
be time to move on now, without the fear of how it might end. I guess I'm  
**F** **G**  
ready to love again.

(same chord progression)

Just when you think that love will never find you, you've run away but still it  
s  
right behind you. Oh, it's just something that you can't control.

(refrão)

**C** **G** **G** **F**  
So come and find me, I'll be waiting up for you. I'll be holding out for you  
tonight.

(refrão)

**F** **G** **C** **Am** **G** **C**  
I'm ready to love again.
