

**Somewhere Love Remains**  
**Lady Antebellum**

I think this is how they play...it sounds better if you tune your guitar half step down, but standard tuning doesn't sound bad either. Please rate it or leave comments. Enjoy!

Intro: **Dsus2 F#m7 A** (2x)

\*\*\*Verse 1\*\*\*

**Dsus2**

Here we go again

**F#m7 A**

Sitting on the edge of leaving

**Dsus2**

You don't have to speak

**F#m7 A**

I can see it in your eyes

**Dsus2**

I know you too well

**F#m7 A**

You know I can tell you're hiding

**Bm**

Something inside

\*\*\*Chorus\*\*\*

**Dsus2 F#m7**

Baby just breathe in, breathe out

**A**

Before you turn around, just slow down

**Bm F#m7 A**

Think of all the love we've made

**Dsus2 F#m7**

If we give it just one more try

**A**

Maybe we could stop this goodbye

**Bm**

I know through all this pain

**E Dsus2 F#m7 A**

Somehow somewhere love remains

\*\*\*Verse 2\*\*\*

**Dsus2**

You say donâ€™t walk away

**F#m7** **A**

But baby give me one good reason

**Dsus2**

More than just a line

**F#m7** **A**

You better make it count this time

**Dsus2** **F#m7** **A**

You told me but you never really showed me

**Bm**

That Iâ€™m worth the fight

**E**

Oh Iâ€™m worth the fight

\*\*\*Chorus\*\*\*

**Dsus2** **F#m7**

Baby just breathe in, breathe out

**A**

Before you turn around, just slow down

**Bm** **F#m7** **A**

Think of all the love weâ€™ve made

**Dsus2** **F#m7**

If we give it just one more try

**A**

Maybe we could stop this goodbye

**Bm**

I know through all this pain

**E** **Dsus2 F#m7 A**

Somehow somewhere love remains

\*\*\*Bridge\*\*\*

**Dsus2 F#m7 A**

**Bm** **F#m7**

Love takes time to build its defenses

**Bm** **F#m7**

And trust takes time to tear down those fences

**Bm** **F#m7** **Bm**

And what remains is stronger than ever before

**E** ----->fade down...**Dsus2 F#m7 A**

So donâ€™t walk out that door

**Dsus2 F#m7 A** (Strum)

I donâ€™t wanna hurt anymore

\*\*\*Chorus\*\*\*

**Dsus2** **F#m7**

So baby just breathe in, breathe out

**A**

The only time for love is right now

**Bm** **F#m7** **A**  
Forgive all of the mistakes weâ€™ve made

**Dsus2 F#m7**  
If we give it just one more try

**A**  
Maybe we could stop this goodbye

**Bm**  
Through the fire and rain

**E**  
Somehow somewhere

**Bm**  
I know through all this pain

**E Dsus2 F#m7 A**  
Somehow somewhere love remains

\*\*\*Outro\*\*\*

**Dsus2 F#m7 A**...keep repeating till fade out!

So baby just breathe in, breathe out

I never wanted to give up this fight  
What if we give it baby one more try?  
Letâ€™s try, this time  
Baby this time  
Baby this time  
Baby this time
