Verse 1:

**G**  
Keep your eyes on the interstate  
**G**  
And leave behind this mess we ve made  
    **Em C G**  
And oh...  
**G**  
Silence all your mobile phones  
**G**  
So they don t hear us where we re going  
**Em C G**  
Oh...

Pre-Chorus:

	<b>Em</b>	<b>D</b>	<b>G</b>
Don t	you want to find your	better side	tonight?
	<b>Em</b>	<b>D</b>	<b>G</b>
Don t	you want to find your	better side	tonight?

Chorus:

**C**  
Then go  
Never stop, never stop  
    **G**  
When they call  
Never thought, never thought  
    **Em**  
That we d fall  
    **G**  
From when we had it all

**Am**

When we had it all  
But we re never gonna stop when they call

Riff (x2)

Verse 2:

**G**

Wake me up when we arrive

**G**

I ll fall asleep to moving lights

**Em C G**

And oh...

**G**

Keep your love inside your breast

**G**

And save that picture from distress

**C G**

And oh...

Pre-Chorus:

**Em**

**D**

**G**

Don t you want to find your better side tonight?

**Em**

**D**

**G**

Don t you want to find your better side tonight?

Chorus:

**C**

Then go

Never stop, never stop

**G**

When they call

Never thought, never thought

**Em**

That we d fall

**G**

From when we had it all

**Am**

When we had it all

**C**

But we re never gonna stop when they call

They call

They call, oh...

Riff (x2)

**Am C Em D**

Oh...

**Am C Em D**

Oh...

**Am**

**C**

Never mind the wayward past and

**Em** **D**  
Never find the seat belt fastened and  
**Am** **C** **Em** **D**  
Never mind the wayward past at all.

**Am** **C**  
Never mind the wayward past and  
**Em** **D**  
Never find the seat belt fastened and  
**Am** **C** **Em** **D**  
Never mind the wayward past at all.
