

Love To Love
Lady Danville

(E, C#m, A, E) x2

E C#m A E
I thought I knew what I wanted to say:
E C#m A E
Just a simple song about the perfect day.
E C#m A E
Well you came up and down across my mind.
E C#m A E
I know I said no more love songs, I m sorry I lied.

E C#m A E
Cause I love to love you, but above all, I love to love.
E C#m A E
It s crazy cause our love just maybe, might have made us.
E C#m A E
We could just never know because we both gave up.
E C#m A E
I m sorry, but didn t you say it wasn t love?

(E, C#m, A, E) x2

E C#m A E
I thought I loved you and the true love in me.
E C#m A E
Crazy how our yearning hearts can deceive.
E C#m A E
Nothing was real and true, according to you.
E C#m A E
Truth be told, I never had you.
E C#m A E
Truth be told, I guess I never had you.

E C#m A E
Cause I love to love you, but above all, I love to love.
E C#m A E
It s crazy cause our love just maybe, might have made us.
E C#m A E
We could just never know because we both gave up.

E **C#m** **A** **E**

(**A**, **B**, **C#m**, **C#m**) x2

A **B** **C#m** **C#m**
Before you, cover your ears,
A **B** **C#m** **C#m**
Hear what I have to say.
A **B** **C#m** **C#m**
Take my hand, here s your five point pen.
A **B** **C#sus4**
So you can write me someday.

(**E**, **C#m**, **A**, **E**) x6
Ooooooooooooo... (piano solo)

E **C#m** **A** **E**
Hard to believe and think we came to an end.
E **C#m** **A** **E**
Who would have also thought you d leave as a friend?
E **C#m** **A** **E**
You can never lose what you didn t have true.
E **C#m** **A** **E**
Truth be told, I never had you.
E **C#m** **A** **E**
Truth be told, I guess I never had you.

(Truth be told, I never had you.)
