

Always Remember Us This Way

Lady Gaga

That Arizona sky burning in your eyes
C# Bbm F#
You look at me and, babe, I wanna catch on fire
C# G#
It s buried in my soul like California gold
Bbm F#
You found the light in me that I couldn t find
C# G#

So when I m all choked up
F#
But I can t find the words
C#
Every time we say goodbye
Bbm
Baby, it hurts
G#
When the sun goes down
F# G# Bbm
And the band won t play
F# G# C#
I ll always remember us this way
C#

Lovers in the night
Bbm
Poets trying to write
F#
We don t know how to rhyme
C#
But damn we try
G#
But all I really know
Bbm
You re where I wanna go
F#
The part of me that s you will never die
C# G#

So when I m all choked up
F#
But I can t find the words
C#
Every time we say goodbye
Bbm
G#

Baby, it hurts

F# G# Bbm

When the sun goes down

F# G# C#
