

**Always Remember Us This Way**  
**Lady Gaga**

That Arizona sky burning in your eyes  
You look at me and, babe, I wanna catch on fire  
It s buried in my soul like California gold  
You found the light in me that I couldn t find

So when I m all choked up  
But I can t find the words  
Every time we say goodbye  
Baby, it hurts  
When the sun goes down  
And the band won t play  
I ll always remember us this way

Lovers in the night  
Poets trying to write  
We don t know how to rhyme  
But damn we try  
But all I really know  
You re where I wanna go  
The part of me that s you will never die

So when I m all choked up  
But I can t find the words  
Every time we say goodbye

Baby, it hurts

**G A Bm**

When the sun goes down

**G A D**

And the band won't play

**G A C**

I'll always remember us this way
