

Always Remember Us This Way
Lady Gaga

That Arizona sky burning in your eyes
You look at me and, babe, I wanna catch on fire
It s buried in my soul like California gold
You found the light in me that I couldn t find

So when I m all choked up
But I can t find the words
Every time we say goodbye
Baby, it hurts
When the sun goes down
And the band won t play
I ll always remember us this way

Lovers in the night
Poets trying to write
We don t know how to rhyme
But damn we try
But all I really know
You re where I wanna go
The part of me that s you will never die

So when I m all choked up
But I can t find the words
Every time we say goodbye

Baby, it hurts
