

Artpop
Lady Gaga

Dm **Bb**
Come to me, in all your glamour, and cruelty
F
Just do that thing that you do
C **Dm**
And I ll undress you

Dm **Bb**
Give it time, sometimes the simplest move is right
F
The melody that you choose
C **Dm**
Can rescue you?

Dm **Bb**
A hybrid can withstand these things
F
My heart can beat with bricks and strings
C **Dm**
My artpop could mean anything

Refrão:

Dm
We could, we could, belong together (artpop)
Bb
We could, we could, belong together (artpop)
F **C**
We could, we could, belong together (artpop)
Dm
ARTPOP, ARTPOP

Dm **Bb**
Come to me, without a sub-tech and fantasy
F
Just do that thing that you do
C **Dm**
For my love is you

Dm **Bb**
Lover s kites are flown on beaches for public sight
F
The color pallete you choose
C **Dm**
And profit you
