Well, you ain t a little girl, not no more, that s for sure
Wanna work it like a big girl, lets explore
Drop it to the floor, baby, get more
You know I like the way you move it (move it)
Girl, you re all grown up and now you re ready to let it go
Wanna be a big girl bout to prove it (prove it)
                                  G
With a body like that, you got a grown man ready to blow
I m big boy, you re a big girl now
