

Captivated
Lady Gaga

I love this song, but wasn't satisfied with the other versions i found online.
Sounds pretty close to me though...

C **CM7**
One look and I'm done
Am
One glance from your eyes
F
And I'm captivated

C **CM7**
The taste of your skin
Am
The warmth of your hungry lips
F **C**
Has me so taken and I
C7 **F**
Love the way you can make me dance
Fm
From miles away

C **Am** **F**
When I'm with you I'm so sedated
G7 **C**
I'm captivated by you

You're just like the wind cuz
Everything moves away when you're around it
The sun is just like the sound of
your voice in the morning
When you light my world up and I

Love the way you can make me dance From miles away
When I'm with you I'm never jaded,
I'm captivated

Oh,
F
I'll never stop believing
Fm
In this crazy love we're leading
C
Oh, sugar,

Hold me closer,
Am
Make me sweeter,

F

I need ya,

Fm

I love you

So, please, show me that smile
Make me laugh for just a little while
Then breathe me one breath
I only need one to fill the emptiness

Love the way you can make me dance
From miles away
It s been so long but now,
I ve waited and I m captivated
