Dancin' In Circles
Lady Gaga

[Intro]

```
Am            Dm
Tap down those boots while I beat around
G             Am
Let s funk downtown
Am            Dm
Tap down those boots while I beat around
G             Am
Funk me downtown
```

[Verse 1]

```
Am    Dm          G               Am
I lay around, touch myself to pass the time
        Am    Dm          G     Am
I fell down, I wish you were mine
    Am    Dm          G               Am
I close my eyes Take a breath and I picture us
        Am    Dm          G       Am
in a place I can t recognize
```

[Pre-Chorus]

```
C               D           A
In the fire I call your name out(oh-o-oh-oo-ahh-ahh)

C                       D           A
Up full night tryin  to rub the pain out (oh-o-oh-oo-ahh-ahh)
```

[Chorus]

```
            C           D
I m singin  Baby don t cry Baby don t cry
F                         G
Dancin  in circles, feels good to be lonely
C           D
Baby don t cry Baby don t cry
              F                     G
I m singin  dancin  in circles, feels good to be lonely
```

[Post-Chorus]

```
Am              Dm
Tap down those boots while I beat around
G               Am
Let s funk downtown
Am              Dm
Tap down those boots while I beat around
G               Am
Funk me downtown

[Verse 2]

Am      Dm      G                   Am
I fool myself Swirl around as if I m
          Am        Dm        G    Am
someone else Your hands are mine
   Am   Dm   G                   Am
I do a trick Pretend that I am you
            Am        Dm    G    Am
until it clicks I come alive Come alive

[Pre-Chorus]

C               D               A
In the fire I call your name out (oh-o-oh-oo-ahh-ahh)

C                           D               A
Up full night tryin  to rub the pain out (oh-o-oh-oo-ahh-ahh)

[Chorus]

             C                 D
I m singin  Baby don t cry Baby don t cry
F                               G
Dancin  in circles, feels good to be lonely
C                 D
Baby don t cry Baby don t cry
              F                       G
I m singin  dancin  in circles, feels good to be lonely

[Post-Chorus]

Am              Dm
Tap down those boots while I beat around
G               Am
Let s funk downtown
Am              Dm
Tap down those boots while I beat around
G           Am
Funk me downtown x2
```

[Bridge]

F
Hurts inside, but not this time
F
All the things that are on my mind
Dm
Vanish as I touch myself
Dm
Call out loud for you Oh, can you hear me singin ?

[Chorus]

 C   D
Baby don t cry Baby don t cry
F   G
Dancin in circles, feels good to be lonely
C   D
Baby don t cry Baby don t cry
              F   G
I m singin dancin in circles, feels good to be lonely

[Post-Chorus]

Am   Dm
Tap down those boots while I beat around
G   Am
Let s funk downtown
Am   Dm
Tap down those boots while I beat around
G   Am
Funk me downtown x2
