

I Wanna Be With You
Lady Gaga

G **D** **Em**
It s off, It s on
C **G**
The party s just begun.
Em **D**
Take off and run.
Em **G** **D** **Em**
Let s celebrate the fun of being young.
Am
I don t wanna grow up,
D
I don t wanna grow up.

Em **D** **C**
But when the lights come on,
Em **D** **C**
you lift me up and I feel strong.

G **D** **Em**
I won t be right without you,
C **G**
and I might break without you.
D **Em** **C**
I d rather be poor and happy than rich and alone.

G **D** **Em**
I ll write hit songs about you.
C **G**
No matter how we ll get through.
D
I ll keep on singing for a living,
Em **C**
but I wanna be in love.
G
And I wanna be with you.
D **Em** **C**
I wanna be with you.

G **D** **Em**
Lights off, lights on
C **G**
The music has begun.
C **D**
Merliah run,
C **G**
Get the bad guys gun.
D **Em**

I love the songs that you play.

Am

And I don't care what they say.

D

Em

Cause I was born this way.

D

C

When I hear you scream, I hit the top of the stage and

Em

D

C

Close my eyes and know exactly who I am.

Oh woah oh

G

D

Em

I won't be right without you,

C

G

and I might break without you.

D

Em

C

I'd rather be poor and happy than rich and alone.

G

D

Em

I'll write hit songs about you.

C

G

No matter how we'll get through.

D

Em

I'll keep on singing for a living,

C

but I wanna be in love.

G

And I wanna be with you.

D

Em

I won't be right without you,

C

G

and I might break without you.

D

Em

C

I'd rather be poor and happy than rich and alone.

G

D

Em

I'll write hit songs about you.

C

G

No matter how we'll get through.

D

I'll keep on singing for a living.

Em

C

I wanna be in love

G

I wanna be with you

D

Em

Wanna be with you

C

G

Wanna be with you

D

Em

C

I wanna be with you

I wanna be,
No matter what breaks me,

G

I wanna be with you.
