[Primeira Parte]

         G#9   G#
Wish I could

                         Fm11   Fm
I could have said goodbye

                           C#6   C#7M
I would have said what I wanted to

              C#/D
Maybe even cried for you

       G#9   G#   **Fm11   Fm**
If I knew   it would be the last time

                             C#6   C#7M
I would have broke my heart in two

                C#/D
Tryin to save a part of you

[Refrão]

                           G#9   G#
Don t want to feel another touch

                             Fm11   Fm
Don t want to start another fire

No other name falling off my lips

                         G#9   G#

             Fm11   Fm
To another stranger

                      C#6   C#7M
Or let another day begin
