Your Song

```
Lady Gaga
[Intro] G C
                    C
 It s a little bit funny, --- this feeling inside
  I m not one of those who can ---- easily hide
                     D
   I don t have much money but, boy if I did
               Am
 I d buy a big house where we both could live
G
                                               Bm
  If I was a sculptor but, --- but then again no
Or a man who makes potions on a ---- travelling show
  I know it s not much but it s the best I can do
 My gift is my song and this one s for you
                     Em
                              Αm
   And you can tell everybody -- this is your song
   It may be quite simple but -- now that it s done
Em
   I hope you don t mind, ---- I hope you don t mind, ---- that I put down in
words
             C
How wonderful life is now you re in the world
               G
      Ooh-ooh ooh
  I sat on the roof and --- kicked off the moss
Well a few of these verses, well they ve ---- got me quite cross
  But the sun s been quite kind, while I wrote this song
                      Am
 It s for people like you that keep it turned on
  So excuse me forgetting (ha-ah), but these things I do
You see I ve forgotten if they re green or they re blue
                           В
```

Well anyway the thing is, what I really mean

C G Αm Cause yours are the sweetest eyes I ve ever seen D Em Am And you can tell everybody -- this is your song It may be quite simple but -- now that it s done I hope you don t mind, ---- I hope you don t mind, ---- that I put down in words How wonderful life is now you re in the world Em I hope you don t mind, ---- I hope you don t mind, ---- that I put down in words How wonderful life is now you re in, you re in, you re in G C G C You re in the world
