C

Choose to use your heart

Am

If even towards the harshest fate

Dm

That it may be swallowed

F

G

A masticated, mistaken thing

C

That you may ripely pine

Am

In the mammoth nothing of the night

Dm

Left to your own devices

F

G

C

Am

And too exhausted to know what you want

Dm

F

G

I know, I know

C

And oh, such is the torment

Am

Of the giving of your organs

Dm

When given willingly,

F

G

C

Am

How merciless a hand can be on you

**Dm F G**  
on you

**C Em**  
And oh the sour fear of defeat  
**Am**  
Like wounded soldiers all still and slight  
**F**  
Lining like silk  
**G C**  
all the roads to your marrow  
**Am**  
the roads to your marrow  
**Dm F G**  
I know, I know

**C**  
And all the heaps of hurt  
**Em Am**  
Well they've had it up to here with you and further  
**F G C Am**  
But when you feel it at your hip, every time how you wish that it was home  
**Dm F G**  
Oh no, oh no we're singing

**Am F**  
Lay me down, lay me low  
**C G**  
Let go your crown, disarm me  
**Am F**  
Singing take me south, take me home  
**C G**  
Hold your own, and claim me

**C**  
That we may ripely pine  
**Am**  
In the mammoth nothing of the night  
**Dm**  
Left to our own devices  
**F G**  
And we'll know, we'll know  
**C Am**  
Know just what we want  
**Dm**  
We'll know  
**F G Am**  
We'll know, we'll know what we want.
