

No Can Do
Ladyhawk

Bm D A E

And now I don t understand how you could be so alone

You lift me up so high

Then maybe just let me go

They didn t know they d come, the harder they fall

Cause I m just another ad upon your wall

No one taught me how to pray

I had to go and find it out the hard way

And it s wrong to think that I have those

Oh when he got the word he tried to fuck the fuck up

Oh I ve been around, just had it around

I let you drive me through the gates that put me down

I did my best and I tried to reach up

Oh well I guess you did my best but you couldn t come no

So many say no can do

I don t know what I could ve done to lose you

And it s wrong to think that I have those

Oh when he got the word he tried to fuck the fuck up
