

A Love Song

Ladyhawke

[Verse 1]

G

It all began innocent as love can be

In every word you gave it all to me

Em

C

Cause this is what a love song sounds like

G

Another life, two beating hearts are mine

The party s over but you re still over the line

Em

C

Cause this is what a love song sounds like

Em

G

[Chorus]

C

G

This could be my life, but it s only words

C

G

To make me feel right when the meaning s blurred

C

G

You ve opened my eyes to the oldest tale of time

D

Em

This is what a love song sounds like

G

C

G

This could be my life, but it s only words

C

G

To make me feel right when the meaning s blurred

C

G

You ve opened my eyes to the oldest tale of time

D

Em

This is what a love song, love song sounds like

[Verse 2]

G

I m falling down, too much to drink again

You pull me up and tell me how it could end

Em

C

This is what a love song sounds like

G

I gave it up, I don t wanna hurt anymore

It wasn t me, why can t you just open the door?

Em

C

This is what a love song sounds like

Em **G**

[Chorus]

C **G**
This could be my life, but it s only words
C **G**
To make me feel right when the meaning s blurred
C **G**
You ve opened my eyes to the oldest tale of time
D **Em**
This is what a love song sounds like
G **C** **G**
This could be my life, but it s only words
C **G**
To make me feel right when the meaning s blurred
C **G**
You ve opened my eyes to the oldest tale of time
D **Em**
This is what a love song, love song sounds like

[Bridge]

G
Life is always meant to replay
G
No heart break no more today

[Chorus]

C **G**
This could be my life, but it s only words
C **G**
To make me feel right when the meaning s blurred
C **G**
You ve opened my eyes to the oldest tale of time
D **Em**
This is what a love song sounds like
G **C** **G**
This could be my life, but it s only words
C **G**
To make me feel right when the meaning s blurred
C **G**
You ve opened my eyes to the oldest tale of time
D **Em**
This is what a love song, love song sounds like

[Outro]

D **Em** **G**
This is what a love song sounds like
