

**White Elephant
Ladytron**

The song is basically:

G#m B F#m E - verses

E B F# E - chorus

Alternatively, you can try using F#sus4 instead of F#m.
Also, lyrics are somewhat hard to make out at times.

[Intro]:

G#m B F#m E (x2)

[Verse 1]:

G#m **B**
Surrender with me
F#m
We re walking in our sleep
E **G#m**
And won t come around for you
B
Leave the story at the shore
F#m
In case you thought it done
E
And yes it is we re so (boring?)

[Chorus]:

E **B**
Now surrender with me
F#
Cause we re walking in our sleep
E
And won t come round
E **B**
Hey, put our pistols down
F#
And crawl along the ground
E
Where we won t
G#m
Won t be found

[Verse 2]:

B
Surrender with me
F#m
And bring your violin
E **G#m**
Photographs and some black strings
B
For when we re breaking stones
F#m
The only things we know
E
Are tiger s eyes and lost things

[Chorus 2]:

E **B**
Now, surrender with me
F#
Cause we re walking in our sleep
E
And won t come round
B
Hey, put our pencils down
F#
And go back underground
E
Where we won t
G#m
Won t be found

[Bridge]:

G#m B F#m E (x2)

[Chorus 3]:

E **B**
Now, surrender with me
F#m
Cause we re walking in our sleep

E
Where we won t
Where we won t

G#m

Won't be found
