Lake of Tears

Dm

It s the way of a cosmic sailor, in a boat in the night

C Dm

But the wolves are not scaring him, he s alright

Dm

just the day, just the day away, I can feel it sometimes

C Dm

But the wolves are not scaring me, I long twilight

F

G

Then with the morning comes

Dm C

Dm

The sun that finds them all, so divides the night and they die

F

G

And with the morning sun

Dm C Dm

A lonely teardrop falls down from my eye and i die

A#

Dm

But where,where did all the cosmic sailors come from

A#

Dm

far away from across the sea

A#

Dm

And where,where have all the cosmic sailors now gone

C

Dm

And the night that showed them all to me

Dm

On the waves of this silver ocean, for a while there he smiles

C Dm

As he sails with the other ones, the wind dies

Dm

So a cry, so a cry is calling, all the wolves among the night

C Dm

As i sail with the other ones, I find them alright

F

G

Then with the morning comes

Dm C

Dm

The sun that finds them all, so divides the night and they die

F

G

And with the morning sun
