In The Comet

**Am**

In the comet we found there where more than simple  
**G**  
combinations of ice dust and gas

**F**

there where parts from a circus and parts from

**E**

party dresses.

**Am**

Now the best explanation for this is someone has a  
**G**  
party on another planet and were not invited.

**F**

The host have probably read the memories

**E** **Dm** **C** **Em**

of endangered beautiful elephants.

**Am**

I know i am mumbling crazy honey. But i

**G**

cant sing you love songs now. Those songs are like

**F**

sleep to us. Necessary but it has to wait.

**E**

Cause first i got to see what this

**Am**

comet is. Primary goal - get some answers.

**G**

And search in labs after good results.

**F**

Who do you think you are you re not a

**E** **Dm** **C** **Em**

scientist. You just clean the floors here.

**Am**

Nothing is mine and nothing is forever.

**G**

My dream last night might as well just be a

**F**

clever act. But we never found a

**E**

party dress in the circus.

X2

**Am**

And though just hit me about us.

**G**

Of course we are. Why didn't I think of

**F**

this before.

**E**

Of course we are, we are

**Am**

stardust

**G**

We are stardust

**F**

We are stardust

**E**

Of course we are, Yee y

**Am**

I know I am mumbling crazy honey.

**G**

But I can sing you love songs now. Those songs are like

**F**

sleep to us. Necessary but it

**E**

has to wait. We are

**Am**

stardust

**G**

We are stardust

**F**

I know who we are,

**E**

We are stardust.
