

**Tell Me**

**Laleh**

**C**

Tell me something else

**Am**

Tell me that you ve changed

**Em**

Tell me something else

**F**

Don t repeat again

**C**

Tell me something new

**Am**

Say another tune

**Em**

Show me something else

**F**

Another side of you

**Am**

Did you never think that I might go

**F**

**G**

And did you never thing I might not take it anymore

**F**

**Am**

Did you never think that I might go

**F**

**G**

And did you never thing I might not take it anymore

**F**

**C**

Show me something else

**Am**

(Show some grace)

Show some grace

**Em**

Cause I can t base no love

**F**

On the beauty of your face

**C**

Convince me in a way

**Am**

So we survive

**Em**

Show me another you

**F**

Show me another side

**Am**

Did you never think that I might go

**F**

**G** And did you never thing I might not take it anymore

**F**

**Am** Did you never think that I might go

**F**

**G** And did you never thing I might not take it anymore

**F**

**C** Tell me something else

**Am** Tell me that you ll change

**Em** Tell me something new

**F** Don t repeat again

**C** Tell me something new

**Am** Say another tune

**Em** I can t wait no more

**F** Waiting by the door

**Am** Did you never think that I might go

**F**

**G** And did you never thing I might not take it anymore

**F**

**Am** Did you never think that I might go

**F**

**G** And did you never thing I might not take it anymore

**F**
