

Softly

Lamb

This is just the simple chord structure of the song. Find the timing and the strumming yourself. I usually play the last Cm of every line from the 10th fret and the A# and D# on the 6th. Hope it s helpful. By Moe3344.

Cm D# A# Cm
Softly kissing you as you lie sleeping
<...>

Cm D# A# Cm
Smiling on me your love gives me all the blessings of this new day
Cm D# A# Cm
The heat in your skin caresses my senses in such a glorious way

Cm D#
Im so happy with you...
A# Cm
Im so happy with you...

-----OR ALTERNATIVELY-----

Place a capo on the 3rd fret. Then just play (Am, C, G, Am) instead of the chords shown above. Enjoy!
