

Give Me Love
Lambretta

Verse:

F **G** **Am** **F**
Such a long time ago, I found you
 Dm **G**
in the street with your friends
C **C7**
your friends were so strung out

F **G** **Am** **F**
And I was taken in by your false blue eyes
 Dm **G**
your kiss feels like a drug,
 C **C7**
your touch feels like the sky

Bridge:

F **G** **Am** **F**
What am I supposed to do with someone as screwed up as you
F **G** **Am** **G7**
What am I supposed to do, when my heart is stuck on you

Chorus:

F **G7**
Give me love
C **Am**
Give me all that you got
F **G7** **C** **C7**
Take me, forget the drugs

F **G7**
Give me love
C **Am**
Give me love
F **G7** **C** **C7**
Take me, forget the drugs

Verse:

I wanna come around today, but something is in my way
I m scared to be there, I don t know what I might see
Demons make a fool of him, I know what you re going through
but the night won t be long, tomorrow they ll be gone

Bridge:

So what am I supposed to do with someone as lost as you
So what am I supposed to do when my heart is stuck on you

Chorus (repeat)
