Is the sun in your eyes, easy rider?

A C#m A E

Do the flame colored skies light your fire?

A C#m A E

We are heavy metal lions, they will never understand

A C#m A E

The kind of people you or I am, bow your heads and take your hands

A C#m A E

They were angels forever, forever angels

A C#m A E

They were angels forever, forever angels

A C#m A E

Does the ocean inspire, easy rider?

A C#m A E

Do the stars and the wind take you higher?

A C#m A E

You are California proud, you are angels of the night

A C#m A E

Rock n roll guardians now, the last keepers of the light

A C#m A E

They were angels forever, forever angels

A C#m A E

They were angels forever, forever angels

F#m G#m A

Paradise is a hell colored flame sky

F#m G#m A
