

Bad Disease

Lana Del Rey

This is just what I've put together and played for this song. Feel free to alter it however necessary.

D

Well there's something about

A

Watching a crime

C

It makes me wanna go out

G

And make it all mine

D

There's something about

A

Seeing you fight

C

It makes me wanna go out tonight

Em

I got a bad disease

G

I got a bad disease

D

To fall into, yeah it's true

(this is basically repeated throughout the entire song)
