

Dance till we die

Lana Del Rey

G **Em**
I ve been covering Joni and dancing with Joan
G **Em**
Stevie s calling on the te_lephone
G **Em**
Court almost burned down my home
G **Em**
But, God, it feels good not to be alone

F **C** **G**
But sometimes this ranch feels like my only friend
F **Am** **G**
And life doesn t always work out like we planned
We keep it movin , babe

F **G**
So we made a pact in the middle of the night
F **C** **G**
To the Louisiana two-step high and bright
F **G** **Am**
And we won t say when, we won t ask why
F **Am** **G**
And we won t stop dancin till we die
F **G**
I ll keep walking on the sunny side
F **Am** **G**
And we won t stop dancin till we die

G **Em**
Troubled by my circumstance
G **Em**
Burdened by the weight of fame
G **Em**
Clementine s not just a fruit
G **Em**
It s my daughter s chosen name

F **C** **G**
And when all the bars close down tonight
F **C** **G**
There s one that stays open just for us, alright
We keep dancin , babe

F **G**
So we made a pact in the middle of the night
F **C** **G**
To the Louisiana two-step high and bright
F **G** **Am**
And we won t say when, we won t ask why
F **Am** **G**
And we won t stop dancin till we die
F **G**
I ll keep walking on the sunny side
F **Am** **G**
And we won t stop dancin till we die

F **C**

F **G**
So we made a pact in the middle of the night
F **C** **G**
To the Louisiana two-step high and bright
F **G** **Am**
And we won t say when, we won t ask why
F **Am** **G**
We won t stop dancin till we die
F **G**
I ll keep walking on the sunny side
F **Am** **G**
And we won t stop dancin till we die
F **Am** **G**
And we won t stop dancin till we die
